## CHARACTER COUNTS

YMCA programs create teachable moments to promote the positive values of Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

## A GIFT THAT KEEPS ON GIVING

The YMCA of Austin Endowment Fund ensures on-going programming and operating support for the YMCA by providing financial resources for the future. A gift to the Endowment Fund will be invested so that YMCA programs receive annual interest from the fund, but the principle is maintained. Contributors are concerned citizens who have felt and seen the impact of the YMCA and are interested in sustaining the Y's future viability for generations to come. Every gift is welcome; you do not have to be a Y member to contribute. Gifts can be designated for a specific area of interest, or designated as a memorial, honorarium or in celebration of someone. Checks should be made payable to the YMCA Endowment Fund and mailed to the YMCA. For more information, contact the YMCA Executive Director.

## ANNUAL SUPPORT CAMPAIGN

The YMCA believes that our future depends on the strength of our children and that's why it provides programs that help build assets in youth. Contributions are received each year from members, program participants and concerned citizens to provide program support and membership assistance to area families in need. Please help make this possible by contributing a tax-deductible donation to the YMCA; knowing that every dollar you give stays right here in our community. Last year these funds provided 265 low-income families with beneficial Y programs and membership services plus subsidy support was provided for the Y's After School Program, Licensed Preschool and the Annual \$1.00 Youth Membership Program.
